

This call could change everything — and cost you little to nothing.

How it Works?

1. Call Lantern before scheduling care.

Our Care Team learns about your needs and explains your personalized options.

2. Choose the right specialist.

We connect you to a board-certified surgeon with extensive experience.

3. We handle the details.

From scheduling to paperwork to follow-up, you can focus on your health.

Why Call Lantern?

- Little to no out-of-pocket cost to members on surgery*
- Access to board-certified surgeons near you
- Personalized support from a Care Advocate every step of the way
- Pre-paid debit card to cover travel, lodging and meals for you and a loved one*
- An exclusive benefit provided by your employer

* Savings and travel benefits vary based on your coverage, your medical plan, and the procedure you need. Call Lantern to learn about your specific plan.

Coverage Highlights

Lantern can help with:

- Joint replacements
- Colonoscopies
- Cardiac procedures
- Gynecology care
- Spine & Ortho Injections
- Infusion Therapy
- General Surgery
- Urology

Lantern covers thousands of procedures; however, some procedures may be excluded based on your plan.

**“ Call Lantern before you do anything
when you find out you need a surgery.
It’s an incredible benefit.”**

— Tom, Lantern Member

One call can change everything.

Expert guidance, faster care, less stress — all through your Lantern benefit
